**Subject:** Request for Advice on an Appeal of Commission's order in Tega Cay case, DN 2012-177-WS (Joyce Clark question)

Ms. Clark:

I am writing with regard to your inquiry of February 14, 2013 about the appeal process with regard to Public Service Commission orders. Since the Commission was the tribunal hearing the case, it cannot really give you legal advice. I would recommend that you call Ms. Nanette Edwards of the Office of Regulatory Staff at (803)-737-0575 or e-mail her at [nsedwar@regstaff.sc.gov](mailto:nsedwar@regstaff.sc.gov) with your questions. She may be of assistance. In the alternative, you can consult a private attorney.

Thank you for your consideration in this matter.

Sincerely,

David Butler
